Dear Professor  25X1A5a

25X1A9a

25X1A5a Possibly you have already heard from  about our proposed recruiting trip to the campus on October 29-30. I very much hope that you will find it possible to see us in the course of our visit. Two years ago, in the fall of 1957, I visited the  on a similar mission, seeking to interest competent students in our program of economic research among the countries of the Sino-Soviet Bloc, but unhappily you were tied up when I attempted to call on you. I hope I have better luck this time.

As a  graduate, I am, of course, looking forward with pleasure to the forthcoming visit. I hope that on this occasion I will be successful in bringing some additional  people back with me to join in this challenging program. 25X1A5a

I am looking forward hopefully to seeing you.

Sincerely, 25X1A9a
